- Student login page to TASS

## Parent Lounge

- Parent login page to TASS

Maps

- Interactive College map

Contacts
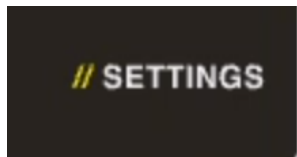

- School contacts page with details

Links

 - Links to important areas of information and interest

Social Media links

 – Links to all official St Patrick's College, Strathfield social media pages
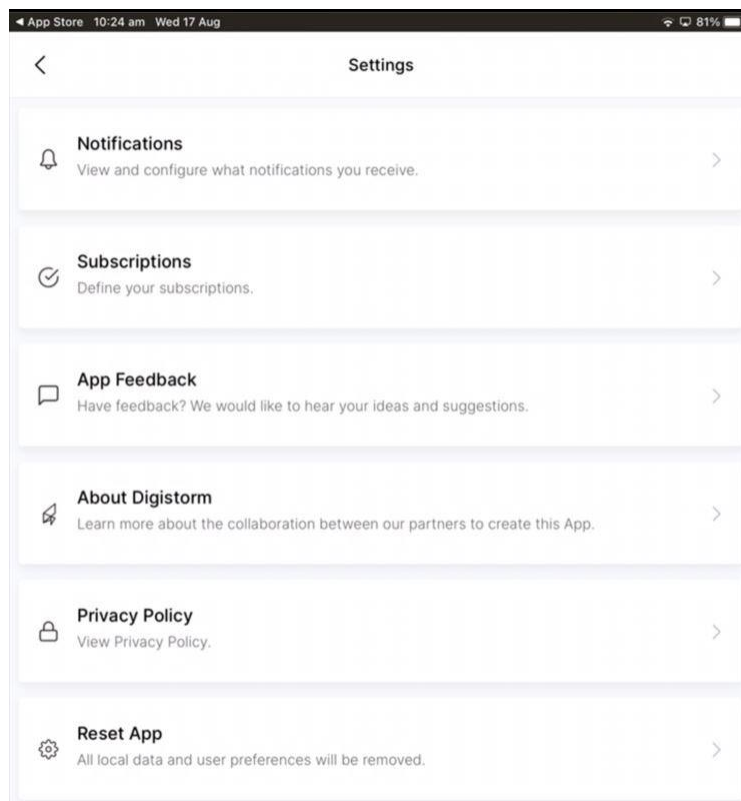

Settings

 - App setting and where subscriptions can be configured

Settings

To get the correct experience form the college app, you will need to set the correct subscriptions for your informational needs.
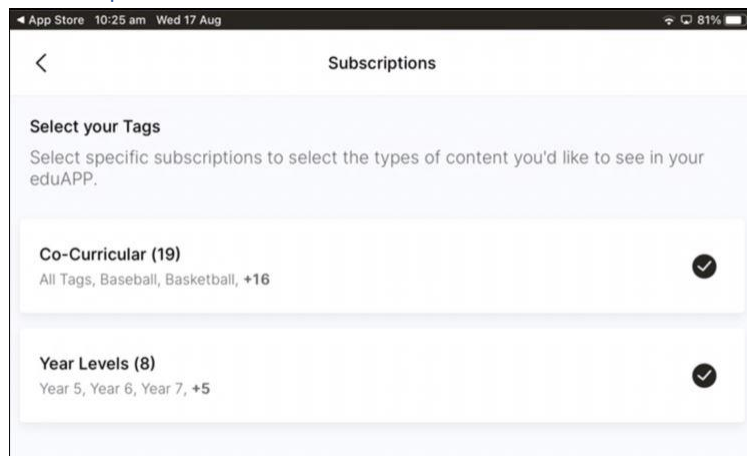

Two area to setup are:

Notifications

Ensure App Notifications is set to **enable**.

If set to disable, no notifications will be pushed to your device.
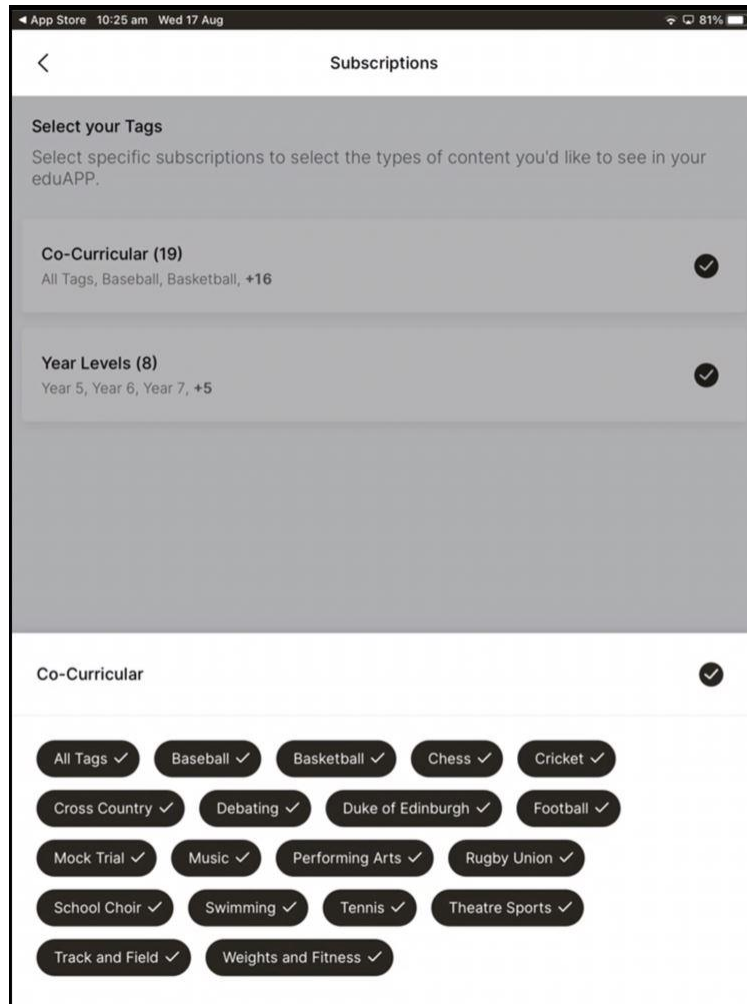

Subscriptions

This is an important part of the setup.

This will set which notifications you will receive based on your requirements – you will only receive information based on choices.

If nothing is chosen, no information will be shared under co-curricular or Year Level.

Choosing a Subscription

Click on **Co-Curricular(19)** and/or **Year Levels(8)** item to open choices

Click on the items you want to subscribe too

You are now ready to use the Mobile App
